How does a Pirates Landing Party work?

A rough outline of timings are as follows:

- 45 / 50 mins of play – experience shows us that after this time, regardless of when your party started, the Little Pirates are hungry and thirsty
- 20 mins for food & birthday cake
- 10 mins for the 'Treasure Hunt'
A little bit more play, then party bags and farewells!

The big differences?

The Pirate Ship:

Most venues have 'separate' party rooms, we don't! 😊

You don't have to roam around looking for space while the children play, and we don't shuffle you off to a separate room when it's time to eat.

The Pirate Ship is your space, which means you can spend time with your family and friends whilst the children are playing. You will be clearly visible and all in one area during the party, which will give children the confidence to have fun, knowing where their parents are.

Flexibility on numbers attending:

At time of booking, you pay a deposit for the minimum count of children required for a party, which is 10.

You then don't have to confirm final numbers until 5 days before the party!

This gives you time, flexibility and a stress free birthday organisation as you are not tied in to any child count until 5 days before.

BIRTHDAY FAQs:

- **When can we get on the Pirate Ship?** 5 minutes before the start of the party.
- **Do we need to bring any plates / cups / cutlery / napkins etc.?** No, we provide all this. You can choose to bring your own if you want a different 'theme' than pirates. If you plan on putting cake in the party bags you will need to bring your own napkins to do this.
- **Do we need to bring cake cutters / lighters for candles etc.?** No, we have all this for you.
- **Can allergies be catered for?** Yes. We can provide Dairy Free / Gluten Free Sandwiches, and Vegan / Gluten Free Pizzas. None of the food we serve is made directly with nuts but may have traces of nuts present from the preparation areas. If you have any more specific needs, please discuss with us.
- **How many other parties will be going on at the same time?** None! We only host one party at a time.
- **If a child we have invited to party has siblings, who also need to come along, do they have to pay?** Yes, they simply pay standard entry price if they are not on the invited list.
- **Can grandparents / friends etc. come along?** Yes. Entry for adults is free – they are more than welcome. It would be helpful if you could give us a rough estimate of the number of adults you think maybe coming.
- **When do we settle the final balance?** We will ask for final numbers 5 days before the party – this will serve as the final minimum balance which must be settled before the party. After this time, if you have children drop out, the final balance will still be applicable, as confirmed. If you have extra children confirm last minute, we always over cater so we will be able to accommodate.
- **Can we decorate the ship?** Yes, certainly, however we ask that you do not use anything that may damage the walls or posters. We also ask that you take all decorations with you.
- **Is there space for cake / party bags etc.?** Yes, the ship will easily accommodate all your party goodies.
- **Do we have to leave at the end of the party?** Whilst we may need you to vacate the ship, you are free to stay in Pirates Landing for a short while after your party – this will of course depend on space available. ☺
