

BIRTHDAY PARTY FAQs

PIRATE PARTIES

How does a Pirates Landing Party work?

A rough outline of timings are as follows:

- 45 / 50 mins of play – experience shows us that after this time, regardless of when your party started, the Little Pirates are hungry and thirsty
 - 20 mins for food & birthday cake
 - 10 mins for the 'Treasure Hunt'
- A little bit more play, then party bags and farewells!

The big differences?

Your Pirate Themed Party Area*

***High Wycombe: Smuggler's Cove or The Wycombe Tavern!**

***Camberley / Wokingham / Farnham: The Pirate Ship!**

Most venues have 'separate' party rooms, we don't! ☺

You don't have to roam around looking for space while the children play, and we don't shuffle you off to a separate room when it's time to eat.

Your Pirate Themed Party Area is your space, which means you can spend time with your family and friends whilst the children are playing. You will be clearly visible and all in one area during the party, which will give children the confidence to have fun, knowing where their parents are.

Flexibility on numbers attending:

At time of booking, you pay a deposit for the minimum count of children required for a party, which is 10.

You then don't have to confirm final numbers until 5 days before the party! This gives you time, flexibility and a stress-free birthday organisation as you are not tied to any child count until 5 days before.

BIRTHDAY FAQs:

- **When can we get to the venue?** 5 minutes before the start of the party.
- **Do we need to bring any plates / cups / cutlery / napkins etc.?** No, we provide all this. You can choose to bring your own if you want a different 'theme' than pirates. If you plan on putting cake in the party bags you will need to bring your own napkins to do this.
- **Do we need to bring cake cutters / lighters for candles etc.?** No, we have all this for you.
- **Can allergies be catered for?** Please review page 5 of this document for detailed information.
- **How many other parties will be going on at the same time?** None at all venues except High Wycombe.
- **If a child we have invited to party has siblings, who also need to come along, do they have to pay?** Yes, they simply pay standard entry price if they are not on the invited list.
- **Can grandparents / friends etc. come along?** Yes. Entry for adults is free – they are more than welcome. It would be helpful if you could give us a rough estimate of the number of adults you think maybe coming.
- **When do we settle the final balance?** We will ask for final numbers 5 days before the party – this will serve as the final minimum balance which must be settled before the party. After this time, if you have children drop out, the final balance will still be applicable, as confirmed. If you have extra children confirm last minute, we always over cater so we will be able to accommodate.
- **Can we decorate the Pirate Themed Area?** Yes, certainly, however we ask that you do not use anything that may damage the walls or posters. If you bring balloons please ensure they don't have confetti in them. No Piñatas please. We also ask that you take all decorations with you.
- **Is there space for cake / party bags etc.?** Yes, the space will easily accommodate all your party goodies.
- **Do we have to leave at the end of the party?** Whilst we may need you to vacate the party area, you are free to stay in Pirates Landing for a short while after your party – this will of course depend on space available – please check with the Duty Manager on the day.
